Initiated by:

City of West Linn

Budget Impact:

None at this time.

Sustainability Considerations:

None at this time.

Policy Questions for Council Consideration:

None

Summary:

The Council has expressed an interest in having the 6.7 acre property located at 3332 and 3151 Parker Road annexed into the City of West Linn. The property is currently owned by the West Linn –Wilsonville School District. It is expected that the District, as the property owner, will consent to the annexation petition. Pursuant to ORS 222.111(2), an annexation proposal may be initiated by the legislative body of a City on its own motion.

In order to have this annexation included on the May 18, 2010 election, Staff estimates that a petition for annexation will have to be prepared and submitted during the next few weeks.

Recommended Action:

Make a formal motion to direct Staff to initiate an annexation petition for the School District property located at 3332 and 3151 Parker Road, including the adjacent right-of-way.
